| ESTD BY (NAME AND DEPARTMENT)       | DATE   | A/E NUMBER | W.O. NUMBER |
| [Redacted] Standards Eng'r. Section | 1-8-64 | 60924      | 9500-90     |

BRIEF DESCRIPTION OF PROPOSED OPERATION The Hycon Standards Section is responsible for the preparation of drawings and specifications for all purchased parts and raw materials. This section also includes the Parts Qualification group, which is responsible for the functioning of the Inter-Service Data Exchange (IDEP) and the Failure Rate Data (FARADA) programs at Hycon. This is a reason and justification for expenditure. AFE is for the purpose of operating the St'd section for fiscal year 2-1-64 thru 1-31-65.

*Note - Amount charged to Dept 3, in May 1964 is [Redacted]*

| ITEM NO.  | QUANTITY | DESCRIPTION  | ESTIMATED COST                      |
|---|----------|--|-------------------------------------|
| <p>REASON AND JUSTIFICATION FOR EXPENDITURE The Standards Section concentrates on performance and physical characteristics of Parts under definite environmental conditions while the Parts Qualification group concentrates on the Reliability Characteristics of components. The information generated by these groups will be beneficial to any contract (current &amp; future) and not directly chargeable to any one contract.</p> |          |  |                                     |
